Re: Notice of Prosecution
dated October 18, 1977

Dear Mr. Filiberto:

The Solid Waste Administration has referred the Notice of Prosecution previously received by you to this office for enforcement. The Notice charged violations of N.J.A.C. 7:26-2.5.13, disposal of solid waste and failure to provide adequate cover. The Notice further offered to compromise this matter for a penalty of \$500.00 and correction of violations.

Please be advised that the offer of settlement for \$500.00 will remain open for ten (10) days. Should you decide to accept this offer, please forward a check to me drawn to the "State of New Jersey". If you do not so respond within ten days, a complaint may be filed against Chester Hills, Inc. in the Superior Court seeking the maximum penalty of \$3,000.00 per day per violation without further notice.

Very truly yours,

JOHN J. DEGNAN
Attorney General
